Desert Edge Legal Services Provides Entrepreneurs a Low-Cost Alternative for Document Preparation

Phoenix, Ariz. (May 1, 2008)- – Local Phoenix resident, Christine Springer, as taken her 10 years of experience in the legal industry and turned it into a business that provides entrepreneurs a low-cost, quality alternative to other expensive legal services in Phoenix.

Desert Edge Legal Services is the Valley's premiere resource for the formation of your new company. Why spend a fortune on hiring an attorney to form your new legal entity when there is a quality, low cost alternative? Desert Edge Legal Services offers a high quality, lower-cost cost alternative to hiring an attorney for clients' legal needs. They provide fee packages for setting up a new limited liability company or corporation, and can assist with legal paperwork and research in many areas of the law including helping with Wills and Power of Attorneys.

Christine Springer has ten years of experience as a paralegal in both the Midwest and Arizona. She also has an educational background in Paralegal Studies, Management and a Masters Degree in International Affairs as well as is certified by the Arizona Supreme Court as a Certified Legal Document Preparer.
